

Drupal - ADTU Calendar Event Tag Plan

Taxonomy Term Plan for ADTU Calendar Events

Each event will be a content - assuming it is possible to have an independent page for each event in future.

Possible Fields:

- Date (Date or short text)
- Time (short text) (optional)
- Title (short text)
- Body (Formatted Long Text)
- Event Tag (Taxonomy term reference, vocabulary: Event Types)

Those events will be distributed and filtered in needed places with views

For the calendar feature, an external module will be used

Executive Committee

The Executive Committee plays a vital role in guiding the Alberni District Teachers' Union. This group is dedicated to advocating for educators and ensuring that their voices are heard. With a focus on collaboration and transparency, the committee meets regularly to discuss important issues affecting teachers and students alike. Their commitment to fostering a supportive educational environment is evident in their initiatives and community outreach efforts. Together, they strive to enhance the quality of education in our district.

Drupal - ADTU Calendar Event Tag Plan

6

The screenshot shows a web browser at the URL `adtu.expm.albernihosting.ca/events/calendar`. The page displays a calendar for May 2025. A modal is open over the calendar, showing details for an event titled "ADTU admin Mon, 06/26/2025 - 12:31". The modal content includes a description of the upcoming Executive Council Meeting and the location: "ADTU Offices: 4558 Adelaide Street Port Alberni, BC V9Y 6N3".

The developer console is open, showing the following code snippets:

```
